In re: Criminal Action No. C-1616
People vs. Bundy

Gentlemen:

This is to advise you that on July 29, 1977, Judge Lohr signed the Certificates and Orders for Out of State Witness Subpoenas to Issue for all parties mentioned in the Defendant's Motions for same. In addition to those mentioned in the Motions Certificates and Orders were signed for the attendance of Bob Warner, Lizabeth Harter and John Bernardo.

All of these Orders are in the Court file but I decided not to copy them for counsel due to the large number of them. If, however, you desire to have copies please advise me.

Very truly yours,

CLERK OF THE DISTRICT COURT

Shirley W. Dills
